Intensive care in the hyperbaric chamber

Recognising hypercapnia in a rebreather is difficult

Dark chocolate before diving may be good for you

Some divers 'bubble' when flying after diving

Divers with a history of DCS are more likely to 'bubble'

HBOT increases insulin sensitivity in obese males

CONTENTS

Diving and Hyperbaric Medicine Volume 45 No. 1 March 2015

Editorials

- 1 Hyperbaric oxygen treatment for the critically ill patient
Lindell K Weaver
- 1 The Editor's offering
Michael Davis
- 2 The Presidents' pages
David Smart and Costantino Balestra

Erratum

- 3 Costantino Balestra

Original articles

- 4 The effect of pre-dive ingestion of dark chocolate on endothelial function after a scuba dive
Sigrid Theunissen, Costantino Balestra, Antoine Boutros, David De Bels, François Guerrero and Peter Germonpré
- 10 Flying after diving: should recommendations be reviewed? In-flight echocardiographic study in bubble-prone and bubble-resistant divers
Danilo Cialoni, Massimo Pieri, Costantino Balestra and Alessandro Marroni
- 16 The five-minute prebreathe in evaluating carbon dioxide absorption in a closed-circuit rebreather: a randomised single-blind study
Carolyn Deng, Neal W Pollock, Nicholas Gant, Jacqueline A Hannam, Adam Dooley, Peter Mesley and Simon J Mitchell
- 25 An observation of venous gas emboli in divers and susceptibility to decompression sickness
Ian C Gawthrope, Matthew Summers, David J Macey and David A Playford
- 30 Hyperbaric oxygen therapy increases insulin sensitivity in overweight men with and without type 2 diabetes
David Wilkinson, Mirjam Nolting, Mohd Kaisan Mahadi, Ian Chapman and Leonie Heilbronn

Technical report

- 37 Performance of the Baxter Infusor LV10 under hyperbaric conditions
Iestyn Lewis, David Smart, Bebe Brown and Carol Baines

Physicians and critical care in hyperbaric chambers

- 42 Hyperbaric oxygen therapy for intensive care patients: position statement by the European Committee for Hyperbaric Medicine
Daniel Mathieu, Beatrice Ratzenhofer-Komenda and Jacek Kot
- 47 Staffing and training issues in critical care hyperbaric medicine
Jacek Kot
- 50 Hyperbaric intensive care technology and equipment
Ian L Millar
- 56 A pro/con review comparing the use of mono- and multiplace hyperbaric chambers for critical care
Folke Lind

Letters to the Editor

- 61 Diving injuries are (usually) no accident
Peter Buzzacott
- 62 Don't dive cold when you don't have to
Clarke JR, Moon RE, Chimiak JM, Stinton R, Van Hoesen KB and Lang MA

Book review

- 63 Hyperbaric oxygen therapy indications, 13th edition
Claus-Martin Muth

Continuing professional development

- 64 Drink, drugs and diving
Christine Penny

Obituary

- 66 George B Hart, MD, FACS

Reprinted from other sources

- 29 The lifetimes of small arterial gas emboli, and their possible connection to inner ear decompression sickness
JM Solano-Altamirano and Saul Goldman

SPUMS notices and news

- 67 SPUMS 44th Annual Scientific Meeting 2015
- 67 Notice of SPUMS Annual General Meeting 21 May 2015
- 68 SPUMS Diploma in Diving and Hyperbaric Medicine

EUBS notices and news

- 69 41st EUBS Annual Scientific Meeting 2015
- 69 Zetterström and Patrick Musimu Awards 2014

70 Courses and meetings

Diving and Hyperbaric Medicine is indexed on MEDLINE, SciSearch® and Embase/Scopus
