SPUMS

Volume 55 No. 1 March 2025

EUBS

Decompression sickness with right heart dilation

Precordial vs subclavian Doppler for bubble detection

Spirometry changes in hyperbaric chamber attendants

Are large lungs a risk in diving?

Influence of thick wetsuits on spirometry

Diving fatalities in Victoria, Australia

Relationship of venous bubbles to decompression sickness

Guideline on patent foramen ovale and diving

Hyperbaric oxygen for complications of facial filler

CONTENTS

Diving and Hyperbaric Medicine Volume 55 No. 1 December 2025

1 The Editor's offering

Original articles

- 2 **Agreement of precordial and subclavian Doppler ultrasound venous gas emboli grades in a large diving data set**
S Lesley Blogg, Arian Azarang, Virginie Papadopoulou, Peter Lindholm
- 11 **Longitudinal study of changes in pulmonary function among inside attendants of hyperbaric oxygen therapy**
Kübra Canarslan Demir, Ahmet Uğur Avcı, Selcen Y Abaylı, Fatma Sena Konyalioglu, Burak Turgut
- 18 **Divers with large or normal lungs: is the difference justified?**
Pieter-Jan AM van Ooij, Robert A van Hulst
- 27 **The influence of wetsuit thickness (≥ 7 mm) on lung volumes in scuba divers**
Graham Stevens, David R Smart
- 35 **Diving-related fatalities in Victoria, Australia, 2000 to 2022**
John Lippmann
- 44 **Venous gas emboli (VGE) in 2-D echocardiographic images following movement: grading and association with cumulative incidence of decompression sickness**
Joshua B Currens, David J Doolette, F Gregory Murphy

Guideline

- 51 **Joint position statement on atrial shunts (persistent [patent] foramen ovale and atrial septal defects) and diving: 2025 update. South Pacific Underwater Medicine Society (SPUMS) and the United Kingdom Diving Medical Committee (UKDMC)**
David Smart, Peter Wilmshurst, Neil Banham, Mark Turner, Simon J Mitchell

Case reports

- 56 **A case of facial vascular occlusion after hyaluronic acid cosmetic filler injection treated with adjunctive hyperbaric oxygen**
Graham Stevens, Iestyn Lewis
- 59 **Severe neurological decompression sickness associated with right ventricular dilatation and a persistent foramen ovale**
Jeremy S Mason, Peter Wilmshurst, Ian C Gawthrop, Neil D Banham

Letter to the Editor

- 65 **PFO and DCS of hyperbaric personnel**
Jacek Kot
- 66 **Reply - PFO and DCS of hyperbaric personnel**
Peter T Wilmshurst, Chris Edge

Erratum

- 67 **Correction: Dive medicine capability at Rothera Research Station (British Antarctic Survey), Adelaide Island, Antarctica**
Felix N R Wood, Katie Bowen, Rosemary Hartley, Jonathon Stevenson, Matt Warner, Doug Watts

SPUMS notices and news

- 68 **SPUMS President's report**
Neil Banham
- 69 **SPUMS Annual Scientific Meeting 2025**
- 70 **Mike Bennett Scholarship**
- 72 **SPUMS Diploma in Diving and Hyperbaric Medicine**
Requirements for candidates (May 2014)

EUBS notices and news

- 73 **EUBS President's report**
Jean-Eric Blatteau
- 74 **EUBS Notices and News**
- 74 **EUBS Annual Scientific Meeting 2025**
- 75 **Courses and meetings**
- 76 **Diving and Hyperbaric Medicine: Instructions for authors**
(Short version – updated June 2024)
